Dear Faculty and Staff:

The District recently created a school wide safety committee. The purpose of the committee is to promote a safe and healthy working environment for each employee by creating and maintaining an active interest in safety by each employee and to assist in the overall effort to minimize the frequency of accidents in the workplace.

Our goal is to eliminate workplace injuries and illnesses by involving employees and managers in identifying hazards and suggesting how to prevent them. The committee is made up of the following members:

Mrs. Darlene Allshouse – Senior High Secretary
Mrs. Barbara Suranic – Senior High Food Service
Mrs. Connie Lazur – Board/Superintendent Secretary (Committee Secretary)
Mr. A.J. Haberkorn – Junior High Faculty
Mr. Michael Porembka – Baggaley Elementary Principal
Mr. Royal Ferry – District Custodian
Mr. Larry Stauffer – Director of Facilities and Operations (Committee Vice-Chairperson)
Mr. Dan Watson – Business Administrator (Committee Chairperson)

Please visit the district website at www.glsd.k12.pa.us, *Our District, Safety Committee* to review the committee bylaws, meeting dates and meeting minutes. There is a form titled “Incident/Loss Investigation Report” also located on the website that should be used to report any unsafe conditions. This form should be submitted to the committee secretary for committee review.

All meetings are open to visitors. You may also contact any of the committee members listed above with questions or concerns pertaining to school safety.

Thank you,

Dan Watson
Safety Committee Chairperson
